

STUART LEVINE & ASSOCIATES LLC

ABOUT STUART LEVINE & ASSOCIATES LLC

Stuart Levine & Associates LLC is an international consulting and leadership development company. Our mission is to help leaders get it right by applying six fundamentals that make up the foundation of all business successes. By focusing on key organizational elements such as strategic planning, assessment, processes and implementation, organization transition management and leadership development, we enable our clients to link the fundamentals with strategic goals to ensure lasting organizational success.

Mission:

Our mission is to strengthen leaders and organizations to achieve results.

Values:

Our values incorporate the following key elements:

- Care and create value for our customers
- Integrity in everything we do
- Respect for people
- Continuous learning

Value Proposition:

SL&A has the proven skills and methodologies to help you get results. We take your institutional wisdom and internal knowledge and facilitate a process that accelerates the development of a more effective organization based on the following six fundamentals of success: Make Sure You Add Value; Communicate Up and Down, Inside and Out; Know How to Deliver Results, Conduct Yourself and Your Business with Integrity; Invest in Relationships and Gain Perspective.

SL&A Differentiation:

- Trustworthy/ethical
- Strategic business partners
- 24/7 availability
- All senior consultants
- Practical and realistic solutions with a focus on implementation

Stuart Levine & Associates LLC client base is extensive and provides services to the following industries: Accounting, Associations, Credit Unions, Education, Engineering, Entertainment Accessories, Financial Services, Government, Healthcare, Insurance, Legal, Manufacturing, Organized Labor, Paper, Printing/Publishing, Promotion, Retail, Technology, Telecommunications, Travel/Leisure, and Turnarounds/Workouts.

We have a talented team of highly-skilled senior professionals who work with our clients to develop strategies, create processes and build strong teams that work together as a productive, collaborative and unified force to deliver results and sustainable business success.

Stuart R. Levine, Chairman and CEO, is the author of the national bestsellers, *Cut to the Chase* (Doubleday, 2007) and *The Six Fundamentals of Success: The Rules for Getting it Right for Yourself and Your Organization* (Doubleday, 2004). He is also co-author of the international best-seller *The Leader in You*. (Simon & Schuster, 1994). As former CEO of Dale Carnegie & Associates, Inc., Mr. Levine won the Ernst & Young LLP 1995 Entrepreneur of the Year Award in the category of Leadership, for turning the company around.

Addressing executive audiences of all sizes and industry sectors, Mr. Levine's exhilarating keynote speeches inspire attendees with his wisdom and practical advice on how leaders get it right by embracing six fundamentals that make up the foundation of all business success.
